

## Journées Jeunes Chercheurs 2014

7 au 13 décembre 2014, Le Lazaret, 34200 Sète

### Second notice

## Registration open until November 1st 2014

The “Field and Particles” division of the French Physics Society (SFP) organizes the annual Journées Jeunes Chercheurs (JJC) conference, to be held at Sète in the south of France, from December 7th until December 13th. The 2014 edition is supported by the CEA, IN2P3, and FRIF (Fédération de Recherche Interactions Fondamentales) research organizations.

This conference aims at gathering young researchers who are in their second or third year of PhD thesis, although first year PhD students as well as young post-doc researchers are welcome to participate. This conference is a very good opportunity for the participants to share their research work and get an overview of the latest research developments achieved in his/her field, within a nice and laid-back environment.

Research topics covered by the JJC 2014 conference are the following: astroparticle physics, physics beyond standard model, cosmology, instrumentation, electroweak standard model, neutrino physics, flavor physics. Presentations could either be given in English or French.

The conference social program foresees a half-day trip in the nearby area, as well as one or two public seminars.

Conference fees amount to 400 euros per participant. It includes registration fees as well as full board accommodation fees in double rooms at the Lazaret holiday inn (<http://www.lazaretsete.com>).

Transportation fares will be covered by each participant's research laboratory, excepting those concerning the arrival (December 7th at night) and departure shuttles (December 13th before noon).

If you intend to participate to the JJC 2014 conference, please fill in the electronic registration form available at:

<https://indico.in2p3.fr/conferenceDisplay.py?ovw=True&confId=9945>

**Please register as soon as possible, registrations are open until November 1st !**

If you encounter any problems while registering, please send a copy of the registration form via e-mail or fax to the conference secretary office. Don't hesitate to contact the secretary office or any members of the organization committee to get further information or assistance.

### Payment of conference fees:

Conference fees amounts to 400 euros per person. . It includes registration fees a well as full board accomodation fees. Transportation fares will be covered by each participant's research laboratory, excepting those concerning the arrival (December 7th at night) and departure shuttles (December 13th before noon). Please check with your laboratory how you will proceed to the conference fees payment. Payment can be done the following ways:

- **by check:** payable to "SFP - Division Particules et Champs (JJC 2014)", to be sent to the secretary office of the JJC 2014 conference

- **par wire transfer** on the "SFP - Division Particules et Champs" bank account

Domiciliation : CCF Paris les Gobelins

Code banque : 30056      Code guichet : 00051

N° de compte : 0051 541 9122    Clé : 36

IBAN : FR76 3005 6000 5100 5154 1912 236

IC : CCFRFRPP

Please be sure to clearly label your wire transfer with your name, your laboratory name and most importantly the conference name "JJC 2014. **Please advise the JJC 2014 secretary office that you wish to proceed to the payment this way, so that we can keep record of your payment.**

- **by purchase order** payable to SFP, and labelled to

"SFP, Division Particules et Champs (JJC 2014),

SIRET : 784 544 850 000 18"

This is to be sent to the JJC 2014 secretary office. You will then receive an invoice very shortly.

NB : participants who already proceeded to the fees payment before arriving at the conference site are recommended to bring a voucher copy of their payment (especially those who chose to pay via purchase order).
